Each application will require 2-3 weeks for processing. Upon receipt of the application the Business License Division will send the application to the Cobb County Police Permits Unit for investigation. No action can be taken in regard to the application until the Cobb County Police Permits Unit investigation has been completed. The police investigation usually requires 7 – 10 business days. After receipt of the investigation report, the application will be considered by the Business License Division Manager. This decision will not be performed in a hearing. This decision will be based solely on the application's compliance with the Official Code of Cobb County Georgia. If the application is approved the license fee must be paid within two weeks of approval. If the application is denied the applicant will have ten days to appeal the denial to the License Review Board. Even when approved, any aggrieved party will have ten days to appeal the decision of the Business License Division Manager. When the application is in compliance with the Official Code of Cobb County Georgia and there is an objection, the application will be deferred to the License Review Board for a hearing. The License Review Board routinely meets on the second and fourth Thursday of each month at 3:00 p.m. The meeting will be conducted in the Purchasing Building, Bid Room, on the second floor at 1772 County Services Parkway, Marietta, Georgia.

Upon the decision of the Business License Division Manager and the appropriate filing of an appeal, the application will be scheduled for the next available hearing. However, appeals must be received a minimum of two weeks in advance of a License Review Board hearing.
